و بعتلك على الماسنجر ،، بس حضرتك مش بترد برده

4:30 PM

أنا عايز أتأكد قبل الشحن أن رقمك رد عليه عشان المندوب لو كلمك و

Type a mess…

Dear Doctor,

We are proud to present our Program *(CAP Version 6.0)* to you.

CAP Stands for, Clinic Administration program

Besides the feature listed On the Back of the Block note Version 6.0 has the coming new features

1- Report Default saving then inserting it just by click
2- Scientific research within your database making it informative not just archiving I.e. finding patients with certain diagnosis, or a diagnosis in age groups or relations between a diagnosis and certain chronic illness etc………….
3- Integrating the 3 color themes in one program to fit with all tastes.

CAP program since its first presentation (V 1.0) proved to be the only program a doctor can depend on, by the very low cessation rate by users over the past 10 years, and their recommendation to others.

- Being designed by a doctor it fits your needs, respecting your work scheme and time limitation.

We happily ready to present the program at your clinic *for free*.

NB.
* The program with the training is for 2500 EP.
* Or by installment, for 3000 EP over 4 months.
Within This envelope, a CD with a PowerPoint demonstration for the program.

Yours

Programmer   *Sales Manager*

Dr: Tariq El sherbiny   *Eng: Amr Ali*
